

## Recruitment Experiences

### **Christine Anderson** **Recruiting Coordinator**

I am originally from International Falls, MN. I received a Bachelor of Science Degree in Business Management at Bemidji State University. I worked for Boise Cascade Corporation in International Falls, in the Human Resource Department. In 1996 we moved to Fargo, ND where I was employed as HR Manager for a software company. In 1999 I remarried and moved to Langford, SD. I have worked for Roncalli HS as a 7-12 Business/Computer teacher and also have sold insurance and helped my husband with his farming and trucking business.

In August of 2007 I accepted a position with South Dakota Wheat Growers as their Recruiting Coordinator. I am in charge of all recruiting and retention efforts for our 37 locations in ND and SD. I also am in the process of redefining their Internship program and working with bringing international employees to SD for seasonal employment.
